

Mediq Tefa: Delivering Nutrition to Your Home

MEDIQ Tefa

You have just received your first delivery of medical nutrition from us. This nutrition was prescribed by the doctor or dietician treating you. Mediq Tefa is here to support you during your nutritional therapy.

About Us

At Mediq Tefa, we deliver medical nutrition and additional care services. This is your first delivery from us. We ensure that orders placed before 5 p.m. on a working day are delivered to your home the very next day.

Simple to Order

When you place your first order, please give us a call. After that, you can also simply order online. Once you have provided your email address, we will send you an email to activate your account at www.mediqtefa.nl.

Prescription Period

Your medical nutrition is prescribed for a specific period of time. You can view the end date of your prescription in your online account. Please pay close attention to this date, as we can only deliver nutrition to your home until then.

Contact

If you have any questions, we will be happy to help. You can contact us between 8.15 a.m. and 5.30 p.m. on working days at +31 (0)30 282 12 22 or reactie@mediqtefa.nl. Nutritional information about our sip nutrition can be found at www.mediqtefa.nl/voedingswaarden.
